All this time
All that was coming down was mine
And everything I fought to grow
Has withered hanging on that vine

All I wanted
Was all I needed you know
Everything good in my life
If you have to take it all away
Oh no
You take it all away
Oh no, no no..
Take it slow..

Everything I try to find
Is every love I'll never hold
But in your garden now
The weeds are choking seeds we've sown

All I wanted
Was all I needed you know
Everything good in my life
If you have to take it all away
Oh no
You take it all away...
Oh no, no no...
You take it slow..

Now you'll find
Your own savior for a time
If you try my love
I hope you'll find your cure in time

All I wanted
Was all I needed you know
Everything good in my life
If you have to take it all away
Oh no
You take it all away
Oh no, no, no...
Take it... slow...
Take it... slow...

Take it... slow..
Take it
Take it
Take it slow..
Slow..
Slow..
Slow..
Slow..
Slow..
Slow..
Slow
