In the circle pit you'll die  
Mess with us you won't survive  
Poser's they are gonna pay  
Sudden death is here to stay  
So now you better run!  
Thrashers they will have your head!  
The blood upon the steel!  
L.A. Thrashers will have you kneel!  
Posers Time to Die!  
Massive Execution!  
Die!  
Murder in massive way  
Extinction in a violent force!  
Slam dance on your grave!  
Come back and they will kill again!  
Massive Execution!  
Fucking Posers!
