you no you like a bad girl, bad girl, bad girl, bad girl.  
you no you like it when i treat you bad.  
(verse 1)

mixed up, I'm in two minds,

so lost with different signs.

she never wants me all to herself,

only around at convenient times.

why do some girls play so hard,

it takes one glance to have u fallin'.

i never thought she was that kinda girl,

so like me more when the phone starts calling  
you said you were a good girl

your actions say more

you keep playing games  
(chorus)

you no you like a bad girl

someone who will play games

treat you like a toy

keep you beggin for more

you no you like a bad girl

try to treat you right

When i don't return your calls

You seem to like me more  
you no you like a bad girl

you no you like it when i treat you bad  
(verse 2 )

now lets go back to the start

that day when i saw your face

you told me baby don't break my heart

i been there before and don't wanna take part

so i'm try'na treat you right

but we just keep going round

one minute you want my heart

but when i reply your know where to be found

so lets just stop with the games

coz' i cant take anymore

friends keep saying its time for a change

but i don't ever listen, i choose to ignore  
you had me where you want me

but not anymore

my patience is gone

you said you were a good girl

your actions say more

you keep playing games  
you no you like a bad girl

someone who will play games

treat you like a toy

keep you beggin for more

you no you like a bad girl

try to treat you right

When i don't return your calls

You seem to like me more  
you know you like a bad girl

you know you like it when i treat you bad  
shes a good girl

if you let her be

make you feel like a girl

coz' you deserve

once you get in gear

stop playing games

you gotta feel good  
you know you like a bad girl

someone who will play games

treat you like a toy

keep you beggin' for more

you know you like a bad girl

try to treat you right

When i don't return your calls

You seem to like me more  
you know you like a bad girl

you know you like it when i treat you bad
