"Bed For The Scraping"

I'm sick with this
I'm sick with this
situation avoided or just missed?
my own sweet time says it's ten twenty four
hardly recognise simple things anymore

I don't wanna be defeated
I don't wanna be defeated
I don't wanna be defeated
I don't wanna be defeated

this is the point
this is the manifest
bed for the scraping
dirty little secret
reason for the gathering
consequence

what else is there to do but go

this is the point
this is the manifest
bed for the scraping
dirty little secret
reason for the gathering
consequence

what else is there to do
what else is there to do
but go outside
look around
look around
