Justice brennan,  
Take out some insurance on me, baby baby.  
It's just the I'm busted and dripping,  
My sorry lungs are all leaking,  
It's all over, it's all over i said,  
The last fair deal going down.  
You let your gown to the ground,  
But I'm not waiting around until the kiss-off.  
Wasn't it you who said yeah you can shoot me lightly,  
But ask me to be excused, I won't go die politely

Anytime that you want you can shoot me lightly,  
But ask me to be excused, I won't go die politely.  
Justice brennan, I know it's not your fault,  
no baby no baby.  
It's just that you're busted and dripping,  
Your sorry lungs are all leaking,  
It's not over, it's not over, I said.  
Here comes the kiss-off.
