Smallpox champion u s of a  
Give natives some blankets  
Warm like the grave  
This is the pattern cut from the cloth  
This is the pattern designed to take you right out  
This is the frontier with winter's so cold  
Greed informs action where action makes bold  
To take all the cotton that's cut from the stalk  
Weave the disease that's gonna take you right out  
What is good for the future what was good for the past  
-

Won't last  
Bury your heart u s of a history rears up to spit in your  
face  
You saw what you wanted  
You took what you saw  
We know how you got it  
Your method equals wipe out  
The end of the frontier and all that you own  
Under the blankets of all that you've done  
Memory serves us to serve you  
Yet memory serves us to never let you wipe out  
Cha-cha-cha-champion  
You'll get yours  
Wipe out
