Listen close I'll sing for you
I won't go away
I sail the raft on Liberty
To this warm decay.

Sweet divide, override,
Innocence brings.
I need you
I need you
I need you.
Sweet divide, override,
Innocence brings.
I need you, I need you, I need you.

Please watch close
I'll dance for you
Spinning round the room
I'm gonna get you
I'm gonna get you
I can get you
I can get you
When the world is in bloom.
Oooo, oooo, ooo.

Sweet divide, override,
Innocence brings.
I need you
I need you
I need you.
Sweet divide, override,
Innocence brings.
I need you
I need you
I need you.
Oooo, oooo, ooo.
