When I think about the good love  
You gave me I cry like a baby  
Livin' without you is drivin' me crazy  
I cry like a baby

Well I know now that  
You're not a plaything  
Not a toy or a puppet on a string

As I look back on a love so sweet  
I cry like a baby  
Every road is a lonely street  
I cry like a baby

Well I know now that  
You're not a plaything  
Not a toy or a puppet on a string

Today we passed on the street  
And you just walked on by  
My heart just fell to my feet  
And once again I began to cry

When I think about the good love  
You gave me I cry like a baby  
Livin' without you is drivin' me crazy  
I cry like a baby

Well I know now that  
You're not a plaything  
I cry like a baby

As I look back on a love so sweet  
I cry like a baby  
Every road is a lonely street  
I cry like a baby

My heart just fell to my feet  
You know I cry like a baby  
You left the water running, now  
I cry like a baby
