What's the use in my advice that you just turn down?  
Swaying to a serenade, you never hear a sound  
But I know you know now

Generate the false alarms  
The verdict: counterfeit  
Flashing lights to bring you back from who you're  
running with  
But I know you know now

Tell me why you're leaving us

Moving to a caged mistake  
Expression isolates  
Owing up for deals you struck  
For deals you can't replace  
But I know you know now

And you can't say no  
You can't say  
And you can't say no  
You can't  
You can't say

Tell me why you're leaving us  
(Why'd you want to leave so bad?)
