Mama just killed a man
Put a gun against his head
Pulled my trigger now he's dead
Mama, life had just begun
And now I've gone and thrown it all away
Mama, ooo, didn't mean to make you cry
If I'm not back this time tomorrow
Carry on, Carry on
'Cause nothing really matters

Too late ,my time has come
sent shivers down my spine
my bodies aching all the time
goodbye everybody ive got to go
Gotta leave you all behind and face the truth

Mama, ooo, i dont wanna die
i sometimes wish ive never been born at all
ohh, carry on, nothing really matters

i didnt mean to make u cry
if im not back again this time tomorow
no i dont wanna die

So you think you can stone me and spit in my eye
So you think love me and leave me to die
Oh Baby
Can't do this, baby
Just gotta get out
Just gotta get right out here

Ohhh Carry on nothing really matter
sometimes i wish ive never been born at all
Nothing really matters
Anyone can see
Nothing really matters
Nothing really matters
To Me...
