

Fugees "Cowboys"

Visit "[Cowboys](#)" on MotoLyrics.com

This is the fugees, outsiders up in here:

[clef]:chorus

Everyone wants to be a cowboy

Grab your guns boy

Forty-five by my side,

No the nigger dies.

[pace1]

Zen, zen zen zen zen zen zen

You shot your bullet, but the bullet when ****

Desperado, do work for new boy

I pull out my gun and plug two like trugoy

[wyclef]

Wyclef

[pace1]

Pace 1

[wyclef]

Yo this was how the west was won,

[pace1]

Our motto, a true desperado.

[wyclef]

Rappers want to be actors

So they play the jesse james character

[pace1]

And get they bones fractured.

[pace1]

You ain't got no guns, you off to the precinct

Inside tuff guys are feminine like sheena easton

[wyclef]

Woman cry, woman cry, son still dies

Thrown off the building like the fall guy

Caved in the grave cause you didn't know how to
behave

Playin' cowboy now you sleep with the slaves

[pace1]

Who's the desperado, sellin' bottles in the alley

On some villain shit, wearin' a mask like jim carrey

With his gat cocked, stinkin' up the crack spot

Pace 1 dies with both eyes on the jackpot

[wyclef]

The town that I'm from beggars eat cat chowder

Sundance kid is the everyday purse snatcher

If you see him coming, you better start running

Like a terrorist I guarantee you he'll be humming.

[pace1]

Dynamite, dynamite, clef I got the cash

[wyclef]

Yo let's skip town like harlem nights.

[lauryn]

We make moves in stage coaches

Ra digga likes the roaches

If anyone approaches

We be like noches, buenos

And I compose a poem for the many gun-slingers

R & b singers, perpetrating guns with two fingers.

[ra digga]

My style is perhaps one of the foulest

I inhale large clouds of smoke through my chalice.

(buckin' at stars) and write rhymes for hours

The ghetto missy, drinkin' whiskey sours.

[lauryn]

Bust this scenario, can't no other niggers in the barrio

(from newark to ontario), bust us when we in stereo.

Cause me and rashida rock the battles

It's apparent, your no talent, cause your blazin' in your saddle.

[ra digga]

Watch these rap bitches get all up in your pockets

Then bounce with accountants that give me good stock tips

Cause props is up, digga's through the roof

Burnin' niggers like I'm 90 proof.

[lauryn]

And for all you head beaters

The lead eaters, the cheaters soon to be retreaters

While mamasitas carry real heaters.

[ra digga]

I rock the dooby and

L rocks the nubian twists 96

Muthafuckas gettin' dissed

[clef]:chorus

Everyone wants to be a cowboy

Grab your guns boy

Forty-five by my side,

No the nigger dies.

[young zee]

Yeah, when the out's hooked up with the refugees

It be more niggas than the naacp

Comin' up on weed of all type

Smokin' home-grown out tobacco pipes.

[praz]

(you've got to know when to hold them,

Know when to fold them)

I can take the sunshine, piss in your wine

Steal your concubine, walk away with your goldmine.
[young zee]
So ooh aaah achiga, mamase mamasa mamakusa
[praz]
Fuck the sheriff, I shot john wayne
Push him off the runaway train in the movie shane
Yeah me and that kid, um "what's his name? "
[young zee]
That would be me, young zee from no brain
Smokin' pure from the health fodd store,
While my whore slaps cops like zsa zsa gabor
Fuck with out's it's like those islam brothers,
We march through your hood with a million
muthafuckas.
So let's get high off the fu-gee-la
When the east is in the house, like I'm blahzay-blah
[forte]
When pandemonium strikes, at midnight
Full moon splits soft niggas in a lunatic
On some absurd shit
You talk back, hustlin' crack don't make you bigger
Niggas who take your measurements quick, don't
make it quicker.
Stick and slide with vigor
City streets hot like liquor
21 gun salutin, shootin' niggas from the roof and
Got nerve to mouth about it and the weight you claim
you movin'
Your whole style is loose and we gon' sew it like it's
cotton.
You fail to recognize that everybody could get gotten
The bounty on your head, says your dead by manana
Pop babies whisperin' that there's a body dropped,
behind the lot
Police blew up the spot and locked the whole block
Medina is the east side of town lounge never till we
yawnin'
Gun players regular front page is the bonus
Life will keep existing while I'm shitin' on the corners
Life will keep existing while I'm shitin' on the corners
[clef]:chorus
Everyone wants to be a cowboy
Grab your guns boy
Forty-five by my side,
No the nigger dies.
