[WYCLEFT]

A dedication to all the refugees worldwide  
One time say, say, say

I remember when we used to sit in the government  
yard in Brooklyn.  
Observing the crookedness as it mingled with the good  
people we meet.  
Good friends we had,  
Good friends we've lost along the way.  
In this great future you can't forget your past, So dry  
your tears  
I say And to my peeps who passed away,  
No woman, no cry, no woman no cry, say say say.  
Hey little sister don't she'd no tears  
No woman no cry say say say.  
I remember when we used to rock in a project yard in  
Jersey,  
And little Georgie would make the firelight,  
As stolen cars passed through the night  
And then we'd hit the corner store for Roots, paper,  
and brew.  
My drink's my only remedy  
For pain of losing family, but while I'm gone Shorty,  
Everything's gonna be alright, everything's gonna be  
alright,  
Fugees come to the dance tonight, everything's gonna  
be alright,  
O everything's gonna be alright,  
The gun man's in the house tonight,  
But everything's gonna be alright.

[CHORUS]

Oh ah oh ah  
Oh ah oh ah  
Oh ah oh ah  
Oh ah oh ah  
Oh ah oh ah  
Oh ah oh ah  
Oh ah oh ah

[CLEF]

No woman no cry, no woman no cry.  
Hey, little sister, don't she'd no tears  
No woman no cry say say say.  
I remember when we used to sit in a government yard  
in Trenchtown.

The hypocrites as they mingled with the good people  
we meet.  
Good friends we had Oh good friends we've lost  
Along the way hey.  
In this great future,  
You can't forget your past so dry your tears I say  
And no woman no cry. No woman no cry say say say.  
Hey, little sister, don't she'd no tears  
No woman no cry and to my peeps who passed away

[CHORUS]

Oh ah oh ah  
Oh ah oh ah  
Oh ah oh ah  
Oh ah oh ah  
Oh ah oh ah
