Wyclef]

I'm just about done...

Yo, let me finish tuning this guitar...

Yo, y'all ready for the show?

[Lauryn "L-Boogie" Hill (Chorus)] (Wyclef in parentheses)

Ready Or Not! (Yo!) - Wyclef

Here we come! (Uh Huh)

All the biting M.C.'s and the pirates, I go run! (Come on, come on)

(Why?)"Cause they are old!

(And...) And we are young!

(Uh huh...and) And while we're young, yes we're gonna have some fun! (Yo!)

(Here it comes) Here we go!

Skippity bop bop bop, skippity whoa!! Swing! (Yo, Yo, Yo, Yo!)

Skippity bop bop bop, skippity WHOA!!! SWING!! (Yo! Yo! Yo! Yo!)

[Wyclef]

You should've have died before you reach this station,  
Refugees we run the  
border!

Ay! Ay!...Ay! Ay!

You should've have died before you reach this station,  
Refugees we all go  
murder!  
Now!!!

[Wyclef]

Yo! Now that I escape, selling four million plates  
My beeper vibrates, like California earthquakes  
But I keep a balanced head, 'cause you're hot, they're  
not  
M.C.'s go Hollywood, then lose their spot on the jukebox  
Still ichi bang, wack M.C.'s get the gong!  
Lyrical tongue  
Wireless mics from Samsung

Wyclef, seduced once by an actress  
Angela Basset wanted the head of Jean Baptiste  
Meanwhile across town, I steal no money to Carlito  
Mama always say don't gamble  
I'm trapped in casino  
No more money in my bags  
Nightmares, getting closer  
I slept on Elm Street, Freddy Kruger  
Woke up with a German Luger  
Black serial killer, man turns to gorilla  
Provoked I change faces like Michael Jackson's Thriller  
B-B-B-B-B-Boo! (Imitating young Michael Jackson)  
And you don't stop!!!

[Chorus 1x]

[Wyclef]  
Yo, L-Boogie where you at?

[Lauryn]  
I'm just adjusting my mic

[Wyclef]  
Come on, yo L-Boogie where you at?!

[Lauryn]  
I'm just adjusting my mic!

[Wyclef]  
Yo, L-Boogie where you at? Come on!

[Lauryn]  
I'm just adjusting my mic!

[Wyclef]  
Well won't ya, grab the mic and lead the blind to the  
light?!

[Lauryn]  
If I could change the times, make rhymes, raise the  
babies  
Give all the pigs rabies  
Send biting niggas to Haiti's  
Clothe young ladies  
Chase the rainbow, find the pot  
Free the third time offender once he learns to makes-a-  
lot  
Lose the fame  
Take the money  
Play boys, just like the bunny  
Find a man with a plan

Slap a chicken, If she acts funny  
Break the bank, on tank  
Stop niggas from acting stank  
Take over your vouch free Rovers  
Teach a man to find Jehovah  
Own the stores, own the tours  
Watch the record, pimps and whores  
Make love, stop the wars  
Cop the land, like the laws  
Make the last be the first  
Make the God respect the Earth  
Change the murder rate to the birth! (Swing!)

[Chorus 1x]

[Wyclef]  
Hey yo, Pras where you at?

[Prakazrel "Pras"]  
I'm just adjusting my mic

[Wyclef]  
Yo! Hey yo, Pras where you at?!

[Pras]  
I'm just adjusting my mic!

[Wyclef]  
C-C-Come on, yo Pras where you at?!!

[Pras]  
I'm just adjusting my mic!

[Wyclef]  
Well won't ya, grab the mic and make the crowd react!

[Prakazrel "Pras"]  
No more tours, no more scores  
Por favor senior, I do the soundbite from here to El  
Salvador  
Ready to take over, Like that! (Gun cocks)  
Run your whole crew over, Like that!! (Gunshot)  
Buffalo soldier! Dreadlock rasta! (Lauryn in  
background)  
Rather be slaughtered, than be captured!  
Three refugees, one usual suspect  
Trapped in the firm, 'cause he fell to two techs  
Prospects have thoughts, blood in like outlets  
I can read your whole flow, just like a pamphlet  
Thousands and thousands of watts  
High volt!

Body as a Q-Tip, right on the asphalt  
Tell the truth that you shouldn't sky off  
This is Mr. Prakazrel, I don't take it as an insult  
I grab the money, money!  
Stash the cash-n-dash, peddle on the gas  
I'm clear like Everlast! (Never seen a refugee movin' so  
fast!) - Salaam  
Now catch me in Jamaica  
Chillin' at the break of sunsplash!

[Chorus 1x]

[Lauryn]

(Ooo-wee!) To Queens  
(Ooo-wee!) To New Jersey  
(Ooo-wee!) To Brooklyn  
(Ooo-wee!) ...and Uptown  
(Ooo-wee!) ...and Long Island  
(Ooo-wee!) ...Staten Island  
(Ooo-wee!) ...U.C. (University of Columbia)  
(Ooo-wee!) ...Miami!  
(Ooo-wee!) ...To Jamaica!
