We drink  
or break open  
our veins  
solely to know  
solely to know  
solely to know

hunger  
drives me onward  
to feel  
all of the skin  
all of the skin  
all of the skin

the thrill  
of the knowing  
has me  
out of my brain  
I want to know  
I want to know

Into our eyes  
hundreds of flash  
cause us to feel  
the life in the sky  
I want to know  
I want to know

we drink  
or break open  
our veins  
solely to know  
solely to know  
solely to know

I want to know  
I want to know  
please let me know  
I have to know  
solely to know  
solely to know
