Deeper everyday,
O I'm in love I'm in love
And I've longed for today
I've been around I've been down
And I found on my way
Reborn everyday
And there's nothing to say.
O I'm in love I'm in love
How I longed for today
I've been told I've cold
But I've come here to stay
Different everyday
From now on I'll be okay
I know I know you think it's going way too fast
You know I've found what I was looking for at last
I can feel it this time
And it's something that I can't fake
CHORUS:
I'm in love I'm in love I'm in love
Here today
I'm in love I'm in love I'm in love
All the way
VERSE:
O by your side I've got nothing to hide
Or to blame
I don't care what I'm leaving behind
I'll remain
Deeper everyday
From now on I'll be okay
I know I know you think it's going way too fast
You know I've found what I was looking for at last
I can feel it this time
And it's something that I can't fake
BRIDGE:
(This is a place
I can embrace
This is the right place) X2
CHORUS:
I'm in love I'm in love I'm in love
Here today
I'm in love I'm in love I'm in love
All the way

Reborn everyday
From now on I'll be okay
I know I know you think it's going way too fast
You know I've found what I was looking for at last
I can feel it this time
'Cause it's something that I can't fake.
