I'm afraid I've got some bad news,
You're a bit too late,
Everything's appeared so clear,
but a blur's all that remains, yeah, yeah.

What feels like home isn't like what it used to be,
And I'm all out of what once was so good to me,
So if you've got a problem, then let it go,
Cause in the end he said 'it looks like money to me'.

If at all you find yourself uncomfortably sheer,
Well maybe you should ask yourself,
Just what it is you fear, yeah, yeah.

What feels like home isn't like what it used to be,
And I'm all out of what once was so good to me,
So if you've got a problem, then let it go,
Cause in the end he said 'it looks like money to me'
yeah.

yeah,

What feels like home isn't like what it used to be,
And I'm all out of what once was so good to me,
So if you've got a problem, then let it go,
Cause in the end he said 'it looks like money to meeeee
ooooooh oooh.
