One, two, three, four!

Today it seems like
I've seached for a lifetime
It caught me of guard
But still I haven't found it yet
So take me away
Cuz this pain burns out through me
And I'm guessing I'll bite
My tounge tonight

(Chorus)

So why would I say: "I'm sorry"
Being everything you want me to be?
These days keep getting longer
Right now, I'm lost and I'm sober.
So why would I try my hardest?
Something must be real tonight
These days keep getting longer
Right now, I'm lost and I'm sober.

Time to come around
This road it takes us up and down
Our chance are looking slim
But our mistakes pull forth to bring in
So take me away
Cuz this pain burns out through me
And I'm guessing I'll bite
My tongue tonight

(Chorus)

So why would I say: "I'm sorry"
Being everything you want me to be?
These days keep getting longer
Right now, I'm lost and I'm sober.
So why would I try my hardest?
Something must be real tonight
These days keep getting longer
Right now, I'm lost and I'm sober.

(Chorus/end)

So why would I say: "I'm sorry"

Being everything you want me to be?
These days keep getting longer
Right now, I'm lost and I'm sober.
So why would I try my hardest?
Something must be real tonight
These days keep getting longer
Right now, I'm lost and I'm sober.
