I'm holding on your rope,
Got me ten feet off the ground
I'm hearin what you say but I just can't make a sound
You tell me that you need me
Then you go and cut me down, but wait
You tell me that you're sorry
Didn't think I'd turn around, and say...

That it's too late to apologize, it's too late
I said it's too late to apologize, it's too late

I'd take another chance, take a fall
Take a shot for you
And I need you like a heart needs a beat
But it's nothin new - yeah yeah
I loved you with a fire red-
Now it's turning blue, and you say.
"Sorry" like an angel, heaven let me think was you
But I'm afraid...

It's too late to apologize, it's too late
I said it's too late to apologize, it's too late

It's too late to apologize, it's too late
I said it's too late to apologize, it's too late
I said it's too late to apologize, yeah
It's too late to apologize, yeah

I'm holdin on your rope
Got me ten feet off the ground...
