Friday night I'm going nowhere
All the lights are changing green to red
Turnin' over TV stations
Situations runnin' through my head

Looking back through time
You know it's clear that I've been blind
I've been a fool to open up my heart
To all that jealousy, that bitterness, that ridicule

And if you want it, come and get it
Crying out loud
The love that I was giving you was
Never in doubt

Let go your heart, let go your head
And feel it now
Let go your heart, let go your head
And feel it now

Babylon
Babylon

Saturday I'm running wild
And all the lights are changing red to green
Moving through the crowds I'm pushing
Chemicals all rushing in my bloodstream

Only wish that you were here
You know I'm seeing it so clear
I've been afraid to show you how I really feel
Admit to some of those bad mistakes I've made

Well, if you want it, come and get it
Crying out loud
The love that I was giving you was
Never in doubt

Let go your heart, let go your head
And feel it now
Let go your heart, let go your head

And feel it now
Let go your heart, let go your head
And feel..
Let go your heart, let go your head
And feel it now

Babylon
Babylon
Babylon
Babylon
Babylon
Why oh why why
