Turn the lights off in this place
And she shines just like a star
And I swear I know her face
I just don't know who you are

Turn the music up in here
I still hear her loud and clear
Like she's right there in my ear
Telling me
That she wants to own me
To control me
Come closer
Come closer

And I just can't pull myself away
Under her spell i can't break
I just can't stop
I just can't stop
I just can't stop
I just can't stop
Yeah

I can feel her on my skin
I can taste her on my tongue
She's the sweetest taste of sin
The more I get the more I want
She wants to own me
Come closer
She says "come closer"

Hey, and I just can't pull myself away
Under her spell i can't break
I just can't stop
I just can't stop
I just can't stop
I just can't stop
Yeah

I just can't stop, oh no
I just can't stop, oh no no
But I just can't stop, oh no

But I just can't stop, I

I just can't pull myself away
Under her spell I can't break
I just can't stop
I just can't stop
I just can't stop
I just can't stop

Yeah, and I just can't bring myself no way
But I don't want to escape
I just can't stop
I just can't stop
I just can't stop
I just can't stop
Yeah

Come closer
