Just a small town girl, living in a lonely world
She took the midnight train going anywhere
Just a city boy, born and raised in South Detroit
He took the midnight train going anywhere

A singer in a smokey room, the smell of wine and
cheap perfume
For a smile they can share the night
It goes on and on and on and on

Strangers waiting up and down the boulevard
Their shadows searching in the night
Street light people living just to find emotion
Hiding somewhere in the night

Working hard to get my fill
Everybody wants a thrill
Payin' anything to roll the dice just one more time

Some will win, some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on and on and on

Strangers waiting up and down the boulevard
Their shadows searching in the night
Street light people living just to find emotion
Hiding somewhere in the night

Don't stop believing
Hold on to that feeling
Street light people

Don't stop believing
Hold on...
Street light people

Don't stop believing
Hold on to that feeling
Street light people

Don't stop believing
