It sounds like this is nothing new and that it hasn't been  
for awhile

You wake up on the other side and you strain to force a  
smile

The fairytale inside your head has become your new  
best friend

But I can assure you, that I'll be there before the story  
ends

'Cause when I needed a place to hang my heart  
You were there to wear it from the start  
And with every breath of me, you'll be the only light I  
see

I'll racing to the finish line of a lifetime that's barely  
started  
The piece of mind I left behind, I pray you keep in your  
perfect garden  
You waited on the minute hand and the countdown to  
last for days  
But I'm here to tell you, it won't be long before I'm here  
to stay

'Cause when I needed a place to hang my heart  
You were there to wear it from the start  
And with every breath of me, you'll be the only light I  
see

The weightlessness and the lack of rest  
Away from you, I'm in over my head  
Even when it's dark before the dawn  
I will feel your grace and carry on  
And with every breath of me, you'll be the only light I  
see

When I needed a place to hang my heart  
You were there to wear it from the start  
And with every breath of me, you'll be the only light I  
see

Even when it's dark before the dawn  
I will feel your grace and carry on  
And with every breath of me, you'll be the only light I

see  
The only light I see
