So many nights trying to hide it
But now I stay awake just pleading for more
To think this heart was divided
I'm losing sleep cause I can't ignore...

Feeling your touch all around
Peacefully hearing the sound
Of silence around us, so glad we found us this way

Find me, here in your arms
Now I'm wondering where you've always been
Blindly, I came to you
Knowing you'd breathe new life from within

Can't get enough of you

I want to be where you are
In times of need I just want you to stay
I leave a note on your car
When I can't find the right words to say

Hearing your voice all around
The last place we're going is down
I'll blindly follow knowing you're leading the way
Find me, here in your arms
Now I'm wondering where you've always been
Blindly, I came to you
Knowing you'd breathe new life from within

With you in time
There's nothing else
My life stands still
You are the will that makes me strong
Make me strong
If ever alone in this world I know I'll always...

Find me, here in your arms
Now I'm wondering where you've always been
Blindly, I came to you
Knowing you'd breathe new life from within
You sleep, here in my arms
Where the world just shuts down for awhile

Blindly, you came to me
Finding peace and belief in this smile
Find some peace and belief in this smile

Can't get enough of you
