It's you
And me
Moving at the speed of light into eternity
Tonight
Is the night
To join me in the middle of ecstasy
Feel the melody and the rhythm of the music around
you
Around you
Imma take you there
Imma take you there
So don't be scared, I'm right here
We can go anywhere, go anywhere
But first
It's your chance, take my hand

It's like I waited my whole life
For this one night
It's gonna be me, you, and the dance floor
Cause we only got one night
Double your pleasure
Double your fun
And dance forever (ever ever)
And forever (ever ever)
And forever (ever ever)
Forever on the dance floor

Feels like we're on another level
Feels like our love's intertwined
We can be two rebels
Breaking the rules
Me and you, you and I
All you gotta do is watch me
Look what I can do with my feet
Baby, feel the beat inside
I'm driving you take the front seat
I just need you to trust me
Girl, girl, girl

(It's like I)
It's like I waited my whole life
For this one night

It's gonna be me, you, and the dance floor
Cause we only got one night
Double your pleasure
Double your fun
And dance forever (ever ever)
And forever (ever ever)
And forever (ever ever)
Forever on the dance floor

I waited my whole life (whole life)
For this one night (one night)
It's gonna be me, you, and the dance floor (dance floor)
Cause we only got one night
Double your pleasure
Double your fun
Dance with me Cmon

Imma take you there
Imma take you there
So don't be scared, I'm right here
We can go anywhere, go anywhere
But first
It's your chance, take my hand

It's like I waited my whole life
For this one night
It's gonna be me, you, and the dance floor
Cause we only got one night
Double your pleasure
Double your fun
And dance forever (ever ever)
Forever (ever ever)
And forever (ever ever)

Forever (ever ever)
And Forever (ever ever)
Forever
Forever on the dance floor
