I wish you would step back from that ledge, my friend
You could cut ties with all the lies, that you've been
living in
And if you do not want to see me again
I would understand, i would understand

The angry boy, a bit too insane
Icing over a secret pain
You know you don't belong

You're the first to fight
You're way too loud
You're the flash of light on a burial shroud
I know something's wrong

Well, everyone i know has got a reason
To say put the past away

Wish you would step back from that ledge, my friend
You could cut ties with all the lies that you've been
living in
And if you do not want to see me again
I would understand, i would understand

And well, he's on the table
And he's gone to code
And i do not think anyone knows
What they are doing here

And your friends have left you
You've been dismissed
I never thought it would come to this
And i, i want you to know

Everyone's got to face down the demons
Maybe today we can put the past away

I wish you would step back from that ledge my friend
You could cut ties with all the lies
That you've been living in and if you do not want to see
me again

I would understand, i would understand, i would
understand

I would understand
I would understand
Understand

Can you put the past away?
I wish you would step back from that ledge, my friend
I would understand

I wish you would step back from that ledge, my friend
I would understand
I wish you would step back from that ledge, my friend
And i would understand

I wish you would step back from that ledge, my friend
I would understand
I wish you would step back from that ledge, my friend
And i would understand
