You, with your words like knives  
And swords and weapons that you use against me  
You, have knocked me off my feet again  
Got me feeling like I'm nothing  
You, with your voice like nails on a chalkboard  
Calling me out when I'm wounded  
You, pickin' on the weaker man

Well you can take me down  
With just one single blow

But you don't know, what you don't know

Someday, I'll be living in a big old city  
And all you're ever gonna be is mean

Someday, I'll be big enough so you can't hit me  
And all you're ever gonna be is mean  
Why you gotta be so mean?

You, with your switching sides  
And your walk by lies and your humiliation  
You, have pointed out my flaws again  
As if I don't already see them  
I walk with my head down  
Trying to block you out 'cause I'll never impress you  
I just wanna feel okay again

I bet you got pushed around  
Somebody made you cold  
But the cycle ends right now  
'Cause you can't lead me down that road  
And you don't know, what you don't know

Someday, I'll be, living in a big old city  
And all you're ever gonna be is mean  
Someday, I'll be big enough so you can't hit me  
And all you're ever gonna be is mean  
Why you gotta be so mean?

And I can see you years from now in a bar

Talking over a football game  
With that same big loud opinion but  
Nobody's listening  
Washed up and ranting about the same old bitter  
things

Drunk and grumbling on about how I can't sing  
But all you are is mean

All you are is mean

And alone in life  
And mean, and mean, and mean, and mean

But someday, I'll be, living in a big old city  
And all you're ever gonna be is mean. Yeah  
Someday, I'll be big enough so you can't hit me  
And all you're ever gonna be is mean  
Why you gotta be so ?  
Someday, I'll be, living in a big old city  
And all you're ever gonna be is mean. Yeah  
Someday, I'll be big enough so you can't hit me  
And all you're ever gonna be is mean  
Why you gotta be so mean?
