She grabs the yellow bottle, she likes the way it hits her
lips
She gets to the bottom, it sends her on a trip so right
She might be going home with me tonight

Those flashing lights come from everywhere
The way they hit her, I have to stop and stare
She's got me love stoned, and I swear she's bad, and
she knows
I think that she knows

She shuts the room down, the way she walks and
causes a fuss
The baddest in town, she's flawless like some uncut ice
Well, I hope she's going home with me tonight

Hey, those flashing lights come from everywhere
The way they hit her, I have to stop and stare
She's got me love stoned, and I swear she's bad, and
she knows
I think that she knows

Those flashing lights come from everywhere
The way they hit her, I just stop and stare
She's got me love stoned
I think I'm love stoned
She's got me love stoned
I think that she knows
I think that she knows, oh oh

I know I walk around without a care
She's got me hooked, it just ain't fair, and I
I'm love stoned
And I can swear that she knows
I think that she knows, woah oh
