[Boyce Avenue]

Aren't you somethin' to admire, cause your
shine is somethin' like a mirror
And I can't help but notice, you reflect in this heart
of mine
If you ever feel alone and the glare makes me hard to
find
Just know that I'm always paralel out on the other
side

[Lauren Jauregui]

Cause with your hand in my hand and a pocket full of
soul
I can tell you there's no place we couldn't go

[Normani Hamilton]

Just put your hand on the grass, I'm here tryin'
to pull you through
You just gotta be strong

[Boyce Avenue with Fifth Harmony]

Cause I don't wanna lose you now
I'm lookin' right at the other half of me
The vacancy that sat in my heart
Is a space, but now you're home
Show me how to fight for now
And I'll tell you baby, it was easy
Comin' back into you once I figured it out
You were right here all along
It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making two reflections into one
Cause it's like you're my mirror
My mirror staring back at me, staring back at me

[Boyce Avenue]

Aren't you somethin', an original, cause it
doesn't seem really as simple

And I can't help but stare cause I see truth
somewhere in your eyes
I can't ever change without you, you reflect me, I
love that about you
And if I could, I would look at us all the time

[Ally Brooke]

Cause with your hand in my hand and a pocket full of
soul
I can tell you there's no place we couldn't go

[Dinah Jane Hansen]

Just put your hand on the grass, I'm here tryin'
to pull you through
You just gotta be strong

[Boyce Avenue with Fifth Harmony]

Cause I don't wanna lose you now
I'm lookin' right at the other half of me
The vacancy that sat in my heart
There's a space, but now you're home
Show me how to fight for now
And I'll tell you baby, it was easy
Comin' back into you once I figured it out
You were right here all along
It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making two reflections into one
Cause it's like you're my mirror
My mirror staring back at me, staring back at me

[Camila Cabello]

Yesterday is history
Tomorrow's a mystery, mystery
I can see you lookin' back at me
Keep your eyes on me

[Fifth Harmony]

Yeah, keep your eyes on me

[Boyce Avenue with Fifth Harmony]

Cause I don't wanna lose you now
I'm lookin' right at the other half of me
The vacancy that sat in my heart
There's a space, but now you're home
Show me how to fight for now
And I'll tell you baby, it was easy
Comin' back into you once I figured it out

You were right here all along
It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making two reflections into one
Cause it's like you're my mirror
My mirror staring back at me, staring back at me

[Lauren Jauregui]
Show me how to fight for now

[Dinah Jane Hansen]
Cause I don't wanna lose you now

[Boyce Avenue with Fifth Harmony]
It's like you're my mirror
