Picture perfect memories, scattered all around the floor.
Reaching for the phone cause, I can't fight it any more.
And I wonder if I ever cross your mind.
For me it happens all the time.

It's a quarter after one, I'm all alone and I need you
now.
I said I wouldn't call but I lost all control and I need you
now.
And I don't know how I can do without, I just need you
now.

Another shot of whiskey, can't stop looking at the door.
Wishing you'd come sweeping in the way you did
before.
And I wonder if I ever cross your mind.
For me it happens all the time.

It's a quarter after one, I'm a little drunk and I need you
now.
I said I wouldn't call but I lost all control and I need you
now.
And I don't know how I can do without, I just need you
now.

I guess I'd rather hurt than feel nothing at all.

It's a quarter after one, I'm all alone and I need you
now.
And I said I wouldn't call, but I'm a little drunk and I
need you now.
And I don't know how I can do without, I just need you
now.

I just need you now.

Oh baby I need you now.
