I'm gonna love you, when our time is right  
Be thinking of you, everyday and every night

To think you're somewhere in this world  
and someday I will make you my wife  
So everyday we're not together  
I hope you know that you'll be alright  
Cuz I....

I'm gonna make you feel, like you're the only girl in the  
world  
Like you're the only one that I'll ever love  
Like you're the only one who knows my heart

(Oohh)

Like you're the only that's in command  
Cuz you're the only one who understands  
How to make me feel like a man

And when you're lonely, I'll keep you company  
I just want us only, made for you and me  
And when it doesn't feel right with another, I hope you  
believe

That in a world with no light, I will be all that you  
need...to see

(CHORUS)

I'm gonna make you feel, like you're the only girl in the  
world  
Like you're the only one that I'll ever love  
Like you're the only one who knows my heart

(oohh)

Like you're the only that's in command  
Cuz you're the only one who understands  
How to make me feel like a man

Ta da da da (4x)

(Wooah oooh)

(Repeat Chorus)
