Take time to realize  
That your warmth is crashing down on in  
Take time to realize  
That I am on your side  
Didn't I, didn't I tell you?

But I can't spell it out for you  
No, it's never gonna be that simple  
No, I can't spell it out for you

If you just realize what I just realized  
That we'd be perfect for each other  
And we'll never find another  
Just realize what I just realized  
We'd never have to wonder  
If we missed out on each other, now

Take time to realize  
Oh oh, I'm on your side  
Didn't I, didn't I tell you  
Take time to realize  
Oh oh, I'm on your side  
Ohhh, Ohhh

But I can't spell it out for you  
No, it's never gonna be that simple  
No, I can't spell it out for you

If you just realize what I just realized  
That we'd be perfect for each other  
And we'll never find another  
Just realize what I just realized  
We'd never have to wonder  
If we missed out on each other, but

It's not the same  
No, it's never the same  
If you don't feel it too  
If you meet me half way  
If you would meet me half way  
It could be the same for you

If you just realize what I just realized  
That we'd be perfect for each other  
And we'll never find another  
Just realize what I just realized  
We'd never have to wonder

Realize, realize, realize, realize...
