I think you're pretty  
Without any makeup on  
I think you're funny  
When you tell the punchline wrong  
I knew you got me  
So you let your walls come down, down

Before you met me  
I was alright, but things  
Were kinda heavy  
You brought me to life  
Now every February  
You'll be my Valentine, Valentine

Let's just talk all through the night  
There's no need to rush  
We can dance, until we die  
You and I, will be young forever

[Chorus]  
You make me feel  
Like I'm livin' a  
Teenage dream  
The way you turn me on  
I can't sleep  
Let's run away and  
Don't ever look back,  
Don't ever look back

My heart stops  
When you look at me  
Just one touch  
Now baby I believe  
This is real  
So take a chance and  
Don't ever look back,  
Don't ever look back

When you're around me,  
Life's like a movie scene  
I wasn't happy,  
Until you became my queen

I finally found you,  
My missing puzzle piece  
I'm complete

Let's just talk all through the night  
There's no need to rush  
We can dance, until we die  
You and I, will be young forever

[Chorus]  
You make me feel  
Like I'm livin' a  
Teenage dream  
The way you turn me on  
I can't sleep  
Let's run away and  
Don't ever look back,  
Don't ever look back

My heart stops  
When you look at me  
Just one touch  
Now baby I believe  
This is real  
So take a chance and  
Don't ever look back,  
Don't ever look back

I'mma get your heart racing  
If that's what you need,  
In this teenage dream tonight  
Let you rest your head on me,  
If that's what you need,  
In this teenage dream tonight, tonight, tonight  
Tonight

[Chorus]  
Yoooouuu  
You make me feel  
Like I'm livin' a  
Teenage dream  
The way you turn me on  
I can't sleep  
Let's run away and  
Don't ever look back,  
Don't ever look back

And my heart stops  
When you look at me  
Just one touch  
Now baby I believe

This is real  
So take a chance and  
Don't ever look back,  
Don't ever look back

I'mma get your heart racing  
If that's what you need,  
In this teenage dream tonight  
Let you rest your head on me,  
If that's what you need,  
In this teenage dream tonight, tonight, tonight
