This years love had better last
Heaven knows it's high time
I've been waitin' on my own, too long
And when you hold me like you do
It feels so right, oh now
I start to forget
How my heart gets torn
When that hurt gets thrown
Feelin' like you can't go on

Turning circles, time again
Cut like a knife, oh now
If you love me, got to know for sure
'Cos it takes somethin' more this time
Sweet, sweet lies, oh now
Before I open up my arms and fall
Losin' all control
Every dream inside my soul
When you kiss me
On that midnight street
Sweep me off my feet
Singin' ain't this life so sweet

This years love, it better last

'Cos whose to worry
If our hearts get torn
When that hurt gets thrown
Don't you know this life goes on
Won't you kiss me
On that midnight street
Sweep me off my feet
Singin' ain't this life so sweet

This years love, it better last
This years love, it better last
And this years love, it better last
This years love, it better last
