~Alejandro:  
Ohhh...

Hey, I was done playing games,  
Knew I needed to upgrade,  
So I went and walk away, way, way...  
Now, you see I've been hanging out,  
With another girl in town,  
At least she doesn't bring me down, down, down...

~Hannah:  
Remember all the things you and I did first,  
And now you're doing them with her,  
Remember all the things you and I did first,  
You got me, got me like this.  
And now you're taking her to every restaurant,  
And everywhere we went, come on.  
And now you're taking her to every restaurant,  
You got me, got me like this.

Chorus:

~Hannah:  
Boy, you can say anything you want.  
It don't mean a thing, no one else can have you.  
I want you back, yeah, I want you back.

~Alejandro:  
I broke it off thinking you'd be fine,  
But now I feel sick, looking at you crying.  
I want us back, yeah, I want us back.

~Hannah:  
Please, rid me off the jealousy,  
You know you belong with me,  
And I'm gonna make you see, see, see...

~Alejandro:  
You clearly didn't think it through,  
Cause I did everything for you,  
And now, I don't know what to do, do, do...

~Hannah with Alejandro as second voice:  
Remember all the things you and I did first,

And now you're doing them with her,  
Remember all the things you and I did first,  
You got me, got me like this.  
And now you're taking her to every restaurant,  
And everywhere we went, come on.  
And now you're taking her to every restaurant,  
You got me, got me like this.

Chorus:

~Hannah:

Boy, you can say anything you want.  
It don't mean a thing, no one else can have you.  
I want you back, yeah, I want you back.

~Alejandro:

I broke it off thinking you'd be fine,  
But now I feel sick, looking at you crying.  
I want us back, yeah, I want us back.

~Alejandro:

Ooooh...  
I thought that you'd be fine when I kissed you goodbye.

~Hannah:

Aaoohh...  
You might be with her but I know we can work.

Chorus:

~Hannah:

I want you back, yeah, I want you back.

~Alejandro:
