You're insecure,  
Don't know what for,  
You're turning heads when you walk through the door,  
Don't need make-up,  
To cover up,  
Being the way that you are is enough,  
Everyone else in the room can see it,  
Everyone else but you,

Baby, you light up my world like nobody else.  
The way that you flip your hair makes me overwhelmed  
But when you smile at the ground it ain't hard to tell,  
You don't know oh oh,  
You don't know you're beautiful,  
That's what makes you beautiful.

So girl come on,  
You got it wrong,  
To prove I'm right,  
I put it in a song,  
I don't know why,  
You're being shy,  
And turn away when I look into your eyes,  
Everyone else in the room can see it,  
Everyone else but you,  
Baby you light up my world like nobody else,  
The way that you flip your hair gets me overwhelmed,  
But when you smile at the ground it ain't hard to tell,  
You don't know,  
Oh oh,  
You don't know you're beautiful oh oh,  
That's what makes you beautiful,  
That's what makes you beautiful,

Baby, you light up my world like nobody else.  
The way that you flip your hair makes me overwhelmed  
But when you smile at the ground it ain't hard to tell,  
You don't know oh oh,  
You don't know you're beautiful,  
That's what makes you beautiful.  
Oh, that's what makes you beautiful.

If only you saw what I can see,  
You'll understand why I want you so desperately,  
Right now I'm looking at you and I can't believe,  
You don't know,  
Oh oh,  
You don't know you're beauty,

Oh, God that's what makes you beauty,  
God that's what makes you beauty,  
God that's what makes you beautiful to me, to me, to  
me.  
Oh, God that's what makes you beauty,  
God that's what makes you beauty,  
You don't know you're so beautiful to me.
