Ohhh... I mean to you
Girl no what else would do,
And there's hearts all over the world tonight,
Said the hearts all over the world tonight

[Verse 2]

Hey! Little mama,
Ooh, you're a stunner
Hot little figure,
Yes, you're a winner
And I'm so glad to be yours,
You're a class all your own
And...

[Bridge 1]

You mean to me
What I mean to you and...
Together baby,
There is nothing we won't do
'Cause if I got you,
I don't need money,
I don't need cars,
Girl, you're my all.
And...

[Chorus 1]

Oh!
I'm into you
And girl,
No one else would do,
'Cause every kiss and every hug,
You make me fall in love,
And now I know I can't be the only one,
I bet there's hearts all over the world tonight,
With the love of they life who feel...
What I feel when I'm

With you
With you
With you
With you
With you

Girl...
With you
With you
With you
With you
With you

[Verse 3]

I don't want nobody else,
Without you, there's no one left and,
You're like Jordans on Saturday,
I gotta have you and I cannot wait now,

[Bridge 2]

'Cause if I got you,
I don't need money,
I don't need cars,
Girl, you're my all.

[Chorus 2]

Oh! Girl!
I'm into you,
And girl,
No one else would do,
'Cause with every kiss and every hug,
You make me fall in love,
And now I know I can't be the only one,
I bet there's heart's all over the world tonight,
With the love of their life who feel...
What I feel when I'm

With you
With you
With you
With you
With you
Oh...
With you
With you
With you
With you
With you
Yeah Heh...

[Bridge 3]

And I...
Will never try to deny,
That you're my whole life,
'Cause if you ever let me go,
I would die...
So I won't front,

I don't need another woman,
I just need your all or nothing,
And if I got that,
I'll be straight
Baby, you're the best part of my day

[Chorus 3]

Oh! Girl!
I'm into you,
And girl,
No one else would do,
'Cause with every kiss and every hug,
You make me fall in love,
And now I know I can't be the only one,
I bet there heart's all over the world tonight,
With the love of they life who feels...
What I feel when I'm

With you
With you
With you
With you
With you
Girl...
With you
With you
With you
With you
With you
With you
With you
With you
With you
With you
With you
With you
With you
With you
With you
With you, cuz I need it
With you
With you
With you
With you
With you
Hey yeah...
