Today is gonna be the day
That they're gonna throw it back to you
By now you should've somehow
Realized what you gotta do
I don't believe that anybody
Feels the way I do about you now

Backbeat, the word was on the street
That the fire in your heart is out
I'm sure you've heard it all before
But you never really had a doubt
I don't believe that anybody
Feels the way I do about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would like to say to you
But I don't know how

And I said maybe
You're gonna be the one that says me
And after all
You're my wonderwall

Today was gonna be the day
But they'll never throw it back to you
By now you should've somehow
Realized what you're not to do
Well I don't believe that anybody
Feels the way I do about you now

And all the roads we have to walk are winding
And all the lights that lead us they are blinding, Ohh
There are many things that I would like to say to you
But I don't know how

And I said maybe
You're gonna be the one that says me
And after all
You're my wonderwall

Ohh
And I said maybe
You're gonna be the one that says me
You're gonna be the one that says me
You're gonna be the one that says me
