try and hold me back  
you fail every time  
no chains can restrain  
level barriers one by one  
only one way to go  
thats up above the rest  
breath through every wall  
iron will  
i wont give up  
never again give in to you  
cant make me turn away  
ill never look away  
this goes beyond desire  
driven by my goals  
too determined to be defeated  
steadfast on solid ground  
anchored heart  
try and hold me back  
you fail every time  
no chains can restrain  
level barriers one by one  
i wont give up  
never give in to you  
cant make me turn away  
ill never look away

this goes beyond desire  
driven by my goals  
too determined to be defeated  
steadfast on solid ground  
anchored heart  
iron will  
too determined to be defeated  
anchored heart  
steadfast on solid ground  
I wont give up  
never give in to you  
cant make me turn away  
ill never look away  
this goes beyond desire  
driven by my goals  
too determined to be defeated

steadfast on solid ground
