Visit "[Chains Of Bloodshed](#)" on MotoLyrics.com

This world is slowly dying  
So thick death in the air  
Condemned by your creations  
Man is a god in ruins

Look into our past  
History repeats itself  
Damned by inheritance  
From our mistakes we'll never learn

Humanity is at its end  
Do you smell your extinction  
Will you embrace the lord  
Save your soul to further your denial

We have failed to take the blame  
Brought down by your actions  
Condemned by our fate to suffer  
We are shadows in the light

This world slowly dying  
Condemned by your creations  
No more innocence  
Abandoned by our lord

We're shadows in the light

These chains of bloodshed  
You can never break  
Condemned by our fate  
In the long run we're all dead

These chains of bloodshed  
You can never break  
Condemned by our fate  
In the long run we're all dead

These chains of bloodshed  
You can never break  
Innocence fallen from grace  
Condemned shadows in the light
