Let me be your screaming Jesus
Let me be your pain-filled Christ
Let me break your mind in an instance
Show you the stinging of life
I saw the lie
I bought you life
You watch me die
I thrust this knife into your pride
You rape the Truth
I rape the lie
I burn the cross into your eyes
I burn the cross into you F*ckin' eyes
Let me be your burning savior
Let me let you look inside
Let me take you past the sunshine
Give you a piece of my mind
I saw the lie
I never had such urge to kill
Who's to say what I shouldn't feel
All my dreams are becoming real
Smiling faces for me to steal
I felt the times that clowns cried
When you broke emotion
I got feelings died
The morning forgiveness denied
I burn the cross into your eyes
All rise to the of horror of the mind
Break the heart of an inocent child
Turn your life a breathing suicide
Break my hand before I break the
Show me what you see
And why I can't
Twist your mind into a
I can't live a life I don' understand
I never had such urge to kill
Who's to say what I shouldn't feel
All my dreams are becoming real
Smiling faces for me to steal
I felt the times that clowns cried
When you broke emotion
I got feelings died

The morning forgiveness denied
I burn the cross into your
I don't understand
Don't understand
Don't understand
