no innocent ignorance  
constant impetuous  
commit to nothing  
what have you become  
remain oblivious, this world cold and calloused  
chew you up, spit you out  
and never bat an eye  
cant you see I'm reaching out to you  
pick up the pieces, i am torn in two  
no innocent ignorance  
constant impetuous  
remain oblivious  
your heart, cold and calloused  
cant you see I'm reaching out to you  
just a friend, trying to pull you through  
never wanted  
patience thinning  
all that i have  
you turn it away  
fallen on deaf ears

you suffer in silence  
all that i have  
you turn it away  
fallen on deaf ears  
you suffer in silence  
deny my hand  
you never learn  
you are forsaken  
all that I have  
turn it away  
fall on deaf ears  
suffer in silence
