We are the unseen  
Locked down and driven out  
Too long we sleep in dreams  
Inside nightmares unwind

Today we rise  
The wait is over  
Burn down walls of shadow  
Tear through reality

You cannot hide the dark side  
Blackened by years of hate  
This darker half of our conscience  
Will soon be revived

Breathe life into this nightmare  
WAKE THE DEMONS

WAKE THE DEMONS  
WAKE THE DEMONS  
WAKE THE DEMONS  
WAKE THE DEMONS

We are the unseen  
Locked down and driven out  
Too long we sleep in dreams  
Inside nightmares unwind

You cannot hide the dark side  
Blackened by years of hate  
This darker half of our conscience  
Will soon be revived

Unearth the buried  
Contained within  
Escape this cage  
Penetrate the surface

Today we rise  
The wait is over  
Burn down the walls of shadow  
Tear through reality

Breathe life into this nightmare

WAKE THE DEMONS

WAKE THE DEMONS

WAKE THE DEMONS

WAKE THE DEMONS
