## "Stay Close"

Live in my heart, please, never part  
'Cause I need you here next to me  
I traveled so far and I won't depart  
'Cause I can almost touch the other side  
So I want you to stay close, real close to me

Your name is so high  
Please, look down below Jesus  
'Cause there's so much, oh, there's so much  
There's so much left to do, thank you, Jesus

When trouble is near my heart  
I've already made up in my mind  
It won't steer 'cause I know  
I know You will never let me fall

So here I am, Jesus  
I just want You to stay close  
(Stay close)  
Real close  
(Real close to me)  
Real close to me

You're always there to comfort me, to comfort me  
Whenever you're in need  
I give You the praise, Lord Jesus  
When all my strength is almost gone

You said, "Call"  
You'll answer my prayer  
In the midst of the storm  
You'll be right there

Stay close, real close to me  
Stay close, real close to me  
Stay close, real close to me

You said, "Call"  
You'll answer my prayer  
In the midst of the storm

You'll be right there

Stay close

Stay close, real close to me
