### "You Walk With Me"

Is it the wind, over my shoulder?  
Is it the wind that I hear gently whispering?  
Are you alone, there in the valley?  
No not alone for you walk, you walk with me  
Is it the wind there, over my shoulder?  
Is it your voice calling quietly?  
Over the hilltop, down in the valley  
Never alone for you walk with me  
When evening falls and the air gets colder  
When shadows cover the road I am following  
Will I be alone there in the darkness?  
No, not alone, not alone and I'll never be  
Never alone you are walking  
You're walking with me  
Is it the wind there, over my shoulder?  
Is it your voice calling quietly?  
Over the hilltop, down in the valley  
Never alone for you walk with me  
Over the hilltop, down in the valley  
Never alone for you walk with me  
Never alone for you walk with me
