Take these earthly chains from me  
You and I both know what I don't need.  
God you know how I, I have tried  
To break away, and all I need to do  
Is close my eyes and fade the world away.

(Chorus)

And I will fly tonight  
Above this world  
And everything you don't want for me  
Will fade away.

Stop this sin from taking over.  
Set me free, Lord, turn my eyes away.  
Now I will break down from all my trials  
And temptations.  
Then you lift me off my knees  
And tell me it's ok.

(Chorus)

(Chorus Pt. 2)

I will try tonight  
To close my eyes  
And let you back in  
To my soul.

And I've been praying,  
I've been praying,  
I've been praying  
For you to turn my eyes away.

(Chorus)

(Chorus Pt. 2)

And I will fly tonight  
And all I need to do  
Is close my eyes  
And fade the world away.
