Ot smerti lekarstva nyet.

Milaya mama! Nyezhnaya!  
Myi tak lyubili tebya.  
No vse nashi silyi  
Potrachenyi byili zrya.

Tebya soblaznil ya

Vernut' nash semeynyy ochag.  
Moy brat, ya vo vsem vinovat.

Nye plach', nye pechal'sya, starshiy brat!  
Nye tyi odin vinovat.  
Doroga u nas odna,  
Isкупim vinu do dna.

Khotet' byit' silneye vsekh.

Milaya mama! Nyezhnaya!  
Myi tak lyubili tebya.  
No vse nashi silyi  
Potrachenyi byili zrya.

Ya sam soblaznilsya  
Prekrasnoy nadezhday  
Vernut' nash semeynyy ochag.

[English Translation:]

Forgive me, little brother  
I am so sorry before you.  
It's forbidden to try to return  
One taken by the earth.

The one who knows the law of existence  
Could help me to find the answer.  
I was very mistaken  
There's no cure for death.

Dear Mom, sweet Mom!  
We loved you so much.  
But all our efforts  
Unfortunately were in vain.

I tempted you  
With the wonderful hope  
Of returning our home.  
My brother, it's all my fault.

Don't cry, don't be sad, big brother.  
You're not the only guilty one.  
There's only one road before us,  
We will purge our sins completely.

I cannot blame you,  
I am not hurt at all.  
Well, we sinned  
By wanting to be stronger than everyone else.

Dear Mom, sweet Mom!  
We loved you so much.  
But all our efforts  
Unfortunately were in vain.

I was tempted  
With the wonderful hope  
Of returning our home.  
I'm guilty for all of it.

But what should we do, how should we be?  
How to fix everything, to forget?  
It's forbidden to try to return  
One taken by the earth.
