And it's all alright.
I guess it's all alright.
I got nothing left inside of my chest,
but it's all alright.
Yeah, it's all alright.
I guess it's all alright.
I got nothing left inside of my chest,
but it's all alright.

And I got the call soon as the day hit night.
As soon as the headlights lit up the Westside.
I stopped the car and came outside
Cause I know that tone.
I remember the first time
we wished upon parallel lines.
Waiting for a friend to call
and say they're still alive.
I've given everyone I know
a good reason to go.
I was surprised you stuck around
long enough to figure out

That it's all alright.
I guess it's all alright.
I got nothing left inside of my chest,
but it's all alright.
Yeah, it's all alright.
I guess it's all alright.
I got nothing left inside of my chest,
but it's all alright.

And now all my loves that come back to haunt me.
My regrets and texts sent to taunt me.
I never claimed to be more than a one-night stand
I've given everyone I know
a good reason to go.
But I came back with the belief
that everyone I love is gonna leave me.

And it's all alright.
I guess it's all alright.
I got nothing left inside of my chest,

but it's all alright.
And it's all alright.
I guess it's all alright.
I got nothing left inside of my chest,
but it's all all

And I know, ohh nooo,
You've fallen from the sun.
Crashing through the clouds.
I see you burning out.
And I know, ohh nooo,
that I put up a front
But maybe, just this once,
let me keep this one.

Yeah it's all alright.
I guess it's all alright.
I got nothing left inside of my chest,
but it's all alright.
And it's all alright.
I guess it's all alright.
I got nothing left inside of my chest,
but it's all alright.
Yeah, it's all alright.
I guess it's all alright.
I got nothing left inside of my chest,
but it's all alright.
And it's all alright
I guess it's all alright.
I got nothing left inside of my chest,
but it's all alright
