Check it out, check it out

I Wanna be with you  
I wanna be with you baby, yeah baby  
I wanna be with you,  
I wanna be with you baby, yeah baby  
I wanna be with you, uh huh  
I wanna be with you, oh yeah

I wanna be with you 'cause my love is true  
There's so many things that I want to do  
I wanna be with you every night and day  
Oh baby, oh baby please stay, oh yeah  
Boy I wanna be with you, can't you feel my love  
Oh baby, singing shoo-be-doo-bee-doo  
Yes my love is true, oh darling, oh yeah

I wanna be with you 'cause my love is true  
There's so many things that I want to do  
I wanna be with you every night and day  
Oh baby, oh baby please stay, oh yeah  
Hit it hit it, get straight with it  
'cause when we see me girl you know you make me go  
wicked  
Back to the port and you know we keep moving  
I wanna be with you 'cause my heart is still groovin.  
If you wanna be with me, say come on let me know  
Oh baby, whenever you needed me, my love will be  
right here,  
Oh baby, oh yeah
