Give me a second I,
I need to get my story straight
My friend's are in the bathroom getting higher than the
empire state
My lover she's waiting for me just across the bar
My seat's been taken by some sunglasses asking about
a scar, and
I know I gave it to you months ago
I know you're trying to forget
But between the drinks and subtle things
Though holes in my apologies
I'm trying hard to take it back
So if by the time the bar closes
And you feel like falling down
I'll carry you home

Tonight
We are young
So let's set the world on fire
We can go brighter than the sun

Tonight
We are young
So let's set the world on fire
We can go brighter than the sun

Though I know it I'm not
All that you got
I guess that I, I just thought
Maybe we could find a way to solve the crime
But our friend isn't back
So let's raise the tab
'Cause I found someone to carry me home

Tonight

We are young
So let's set the world on fire
We can go brighter than the sun

Tonight
We are young

So let's set the world on fire
We can go brighter than the sun

Carry me home tonight (Nananananana)
Just carry me home tonight (Nananananana)
Carry me home tonight (Nananananana)
Just carry me home tonight (Nananananana)

Come on side
I have no reason to hide
So will someone come and carry me home tonight
The end is never right
Where I can
So will someone come and carry me home

Tonight
We are young
So let's set the world on fire
We can go brighter than the sun

Tonight
We are young
So let's set the world on fire
We can go brighter than the sun

So if by the time the bar closes
And you feel like falling down
I'll carry you home tonight
