I can use Ed, Ed's?

They try to move us; to use us
Like Judas did Jesus; to please us
Diverting the issues to misuse the peoples
How are we gonna get them out?
And how are we gonna vote them out when the wingtips
got it locked up?
But one thing you don't show
Ya dig it? Yeah, the freaking wingtips did it
And some of us is wise and some of us is suckers
And we all bleed red, even racist motherfuckers
And I can't get with that, no, I can't get with that, I said,
"I can't get with that"
I said, "I can't get with that, no, I can't get with that, I
said, I can't get with that"
I said, "I can't get with that, no, I can't get with that, no,
I can't get with that"
I said, "I can't get with that, no, I can't get with that, no,
I can't get with that"

I see the hoes and the hustlers
We piled up in clusters
Now since they upped the anti and hooked up Giuliani
And the black kill the black
And Latino kill Latino; man it's evil
The same damn story and a sequel
I thought I fought for what was right
But in the end, my friend, 20-20 is hindsight, here's a
cola

Now see, I can't get with that, no, I can't get with that,
see, I can't get with that
I see, no, I can't get with that, no, I can't get with that,
no, I can't get with that
I said, "I can't get with that, no, I can't get with that,
see, I can't get with that"
No, I can't get with that, no, I can't get with that, no, I
can't get with that
No, I can't get with that, no, I can't get with that, no, I
can't get with that

See, I can't get with that, no, I can't get with that, no, I
can't get with that
